### THE CONFERENCE

Sustainable Oregon 2021, AOR's 43<sup>rd</sup> annual conference, is an interactive learning experience featuring cutting-edge educational sessions from industry leaders and experts. Due to pandemic uncertainties, the conference will be held virtually October 20-22<sup>nd</sup>, 2021.

#### WHY SPONSOR?

Though virtual, Sustainable Oregon 2021 offers an array of sponsorship opportunities that not only promote your organization but also also demonstrates your commitment to AOR and the growth of the materials management industry in Oregon.

Your Sustainable Oregon sponsorship supports the state's most important annual recycling industry event and AOR's work throughout the year. Supporting AOR is also a means of supporting the critical legislative advocacy necessary to ensure that Oregon's remains a national leader on recycling. AOR's legislative work helps is essential to delivering our vision for a system of sustainable materials management, high-quality recycling and composting, thoughtful consumption, and producer responsibility. Our website, newsletter (~2,000 subscribers), and social media (~!1,600 followers on Twitter; ~1,200 Facebook followers) presence reaches far beyond our membership, further enhancing our ability to share our mission and the work we do throughout Oregon, AND to showcase your sponsorship.

Our sponsorship packages are designed to connect our sponsors to the attendees they are seeking to reach. Now, not only do sponsorships include recognition during the conference, we will be promoting our sponsors year-long through our e-news, blog, and social media, as well as a strong presence on our website. We are also providing new opportunities and flexibility to tailor sponsorship packages to more specific audiences and provide more direct visibility during specific conference events. If you are interested in sponsoring, but you don't see the right fit for you, call us. We'd be glad to work with you to find a suite of benefits that meets your needs.
